4. INFORMASI TENTANG SISTEM PENDIDIKAN TINGGI DAN KERANGKA KUALIFIKASI NASIONAL INDONESIA

4. Information on the Indonesian Higher Education System and the Indonesian National Qualifications Framework

Sistem Pendidikan Tinggi

Pendidikan tinggi merupakan bagian dari sistem pendidikan nasional Indonesia memiliki peran strategis dalam mencerdaskan kehidupan bangsa dan memajukan ilmu pengetahuan dan teknologi dengan memperhatikan dan menerapkan nilai humaniora serta pembudayaan dan pemberdayaan bangsa Indonesia yang berkelanjutan.

Higher Education System

Higher education is part of the Indonesian national education system, which has a strategic role in educating the life of the nation and advancing science and technology by paying attention to and implementing humanities values as well as cultivating and empowering the Indonesian people in a sustainable manner.

Pendidikan tinggi adalah jenjang pendidikan setelah pendidikan menengah yang mencakup program diploma, program sarjana, program magister, program doktor, dan program profesi, serta program spesialis, yang diselenggarakan oleh perguruan tinggi berdasarkan kebudayaan bangsa Indonesia.

Pendidikan tinggi terdiri dari (1) pendidikan akademik yang terdiri dari program sarjana dan/atau program pascasarjana yang diarahkan pada penguasaan dan pengembangan cabang ilmu pengetahuan dan teknologi (2) pendidikan vokasi yaitu program yang menyiapkan mahasiswa untuk pekerjaan dengan keahlian terapan tertentu sampai program sarjana terapan yang dapat dikembangkan sampai program magister terapan atau program doktor terapan, dan (3) pendidikan profesi adalah pendidikan tinggi setelah program sarjana atau sederajat yang menyiapkan mahasiswa dalam pekerjaan yang memerlukan persyaratan keahlian khusus, serta program spesialis yang merupakan pendidikan keahlian lanjutan yang dapat bertingkat dan diperuntukan bagi lulusan program profesi yang telah berpengalaman sebagai profesional untuk mengembangkan bakat dan kemampuannya menjadi spesialis.

Kerangka Kualifikasi Nasional Indonesia (KKNI)

Kerangka Kualifikasi Nasional Indonesia, yang selanjutnya disingkat KKNI, adalah kerangka kualifikasi kompetensi yang dapat menyandingkan, menyetarakan, mengintegrasikan antara bidang pendidikan dan bidang pelatihan kerja serta pengalaman kerja dalam rangka pemberian pengakuan kompetensi kerja sesuai dengan struktur pekerjaan di berbagai sektor.

KKNI merupakan sistem yang berdiri sendiri dan merupakan jembatan antara sektor pendidikan dan pelatihan untuk membentuk SDM nasional berkualitas dan bersertifikat melalui skema pendidikan formal, non formal, in formal, pelatihan kerja atau pengalaman kerja. Jenjang kualifikasi adalah tingkat capaian pembelajaran yang disepakati secara nasional, disusun berdasarkan ukuran hasil pendidikan dan/atau pelatihan yang diperoleh melalui pendidikan formal, nonformal, informal, atau pengalaman kerja.

KKNI terdiri atas 9 (sembilan) level/jenjang kualifikasi, dimulai dari level 1 (satu) sebagai level terendah sampai dengan level 9 (Sembilan) sebagai level tertinggi. Setiap level kualifikasi pada KKNI memiliki kesetaraan dengan capaian pembelajaran yang dihasilkan melalui pendidikan, pelatihan kerja atau pengalaman kerja seperti pada Gambar 1

Gambar 1.Konsep KKNI

Satuan Kredit Semester

Satuan kredit Semester (SKS) adalah suatu sistem penyelenggaraan pendidikan dengan menggunakan satuan yang menyatakan beban studi mahasiswa, beban kerja dosen, pengalaman belajar, dan beban penyelenggaraan program. Mahasiswa mempunyai perbedaan minat, bakat, dan kemampuan yang berlainan. Oleh karena itu setiap mahasiswa mempunyai cara dan waktu untuk menyelesaikan beban studi yang diwajibkan serta komposisi kegiatan studinya tidak harus sama, meskipun mereka duduk dalam jenjang pendidikan yang sama.

Perkuliahan diselenggarakan dengan sistem Satuan Kredit Semester (SKS) yang meliputi kegiatan tatap muka berjadwal, kegiatan akademik terstruktur, dan kegiatan akademik mandiri dengan distribusi (1) 50 menit kegiatan tatap muka berjadwal (2) 60 menit kegiatan akademik terstruktur dan (3) 60 menit kegiatan akademik mandiri.

5. PENGESAHAN SKPI

5. SKPI Legalization

Medan, 10 Januari 2024

Higher education is the level of education after secondary education which includes diploma programs, bachelor programs, master programs, doctoral programs, and professional programs, as well as specialist programs, organized by universities based on Indonesian culture.

Higher education consists of (1) academic education consisting of undergraduate programs and/or postgraduate programs aimed at mastering and developing branches of science and technology (2) vocational education, namely programs that prepare students for jobs with certain applied skills up to applied undergraduate programs which can be developed to applied master's programs or applied doctoral programs, and (3) professional education is higher education after undergraduate or equivalent programs that prepare students for jobs that require special skill requirements, as well as specialist programs which are advanced skills education that can be stratified and intended for graduates of professional programs who have experience as professionals to develop their talents and abilities to become specialists.

Indonesian National Qualifications Framework

The Indonesian National Qualifications Framework is a competency qualifications framework that can juxtapose, equalize, and integrate the fields of education and job training as well as work experience in the context of providing recognition of work competencies in accordance with the job structure in various sectors.

The Indonesian National Qualifications Framework is a system that stands alone and is a bridge between the education and training sectors to form quality and certified national human resources through formal, non-formal, and informal education, job training or work experience schemes. Qualification level is a nationally agreed level of learning achievement, compiled based on the measurement of the results of education and/or training obtained through formal, non-formal, informal education, or work experience.

The Indonesian National Qualification Framework consists of 9 (nine) qualification levels, starting from level 1 (one) as the lowest level up to level 9 (nine) as the highest level. Each qualification level is equivalent to learning outcomes resulting from education, job training or work experience as shown in Figure 1.

Figure 1. Indonesian National Qualifications Framework Concepts

Semester Credit Sistem

A semester credit system is an education delivery system using units that express student study load, lecturer workload, learning experience, and program administration burden. Students have different interests, talents, and abilities. Therefore, every student has the method and time to complete the required study load and the composition of their study activities does not have to be the same, even though they are at the same educational level.

Lectures are held on a semester credit system which includes scheduled faceto- face activities, structured academic activities, and independent academic activities with the distribution of (1) 50 minutes of scheduled face-to-face activities (2) 60 minutes of structured academic activities, and (3) 60 minutes of independent academic activities.
